PRESS RELEASE

NPP-USA INTERNAL POLL SELECTS BLAY, BOADU, AWUKU, NANA B, ALI SURAJ AND OTHERS.

As part of the 26th National Delegates Conference, NPP-USA has conducted its internal poll to determine the candidates the branch believes should lead the party. NPP-USA has long been the barometer of electing leaders of the party and has successfully chosen party national executives, and presidential candidates in its internal polls. This poll taking exercise is based on the branch's long held belief in the principle of **One Member One Vote** dubbed **"OMOV"**.

The election was conducted by the branch's Elections & Research Directorate led by Bright Gyimah.

In all, one hundred and fifty-four (154) members in good standing from twenty-four (24) chapters voted.

At the end of the poll, the following contestants were elected:

- ✓ National Chairperson - **Hon. Freddie Worsemawu Blay**
- ✓ National 1st Vice Chairperson – **Michael Omari Wadie**
- ✓ National Gen. Secretary - **John Boadu**
- ✓ National Treasurer - **Kwabena Abankwah-Yeboah**
- ✓ National Organizer – **Sammi Awuku**
- ✓ National Youth Organizer – **Henry Nana Boakye**
- ✓ National Women's Organizer - **Kate Gyamfua**
- ✓ National Nasara Coordinator – **Ali Suraj**

The 12 voting delegates led by the Chairperson, Obaa Yaa Amponsah Frimpong, are required by the branch to vote en bloc for the above candidates.

NPP-USA wishes to use this opportunity to wish all candidates the best of luck.
